FROM

Government Director, Industrial Concerns,
BANGALORE.

To

The Secretary to Government,
Development Department,
B a n g a l o r e.

Sir,

ALUMINIUM CONTAINERS FOR INDUSTRIAL
AND TESTING LABORATORY.

=====

I have the honour to state that the General Manager, Government Industrial & Testing Laboratory, Malleswaram reports that the stock of Aluminium containers 10½ oz. size required for filling calorine has gone down and wants to replenish the stock in time. Quotations were called for and Messrs. Keshavalal & Co., Narasimharaja Road, Bangalore City (The representative of Messrs. Jeevanlal & Co., Calcutta) have quoted Rs. 85/- per gross ex-their godown at Bangalore.

There is a very good demand in the market for Calorine and the price of these containers is going up every day. The firm says that the quotation holds good up to 26th instant only. I have therefore permitted the General Manager to place orders for his annual requirements through the Secretary, Stores Purchase Committee.

P.T.O.

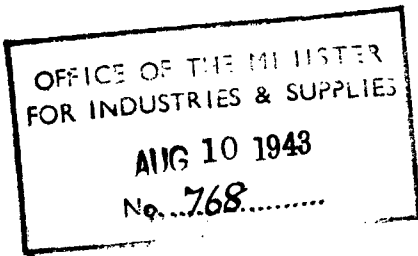

Committee in anticipation of Government sanction.
The total cost of this purchase comes to Rs.4250/-
which will be met out of the Revenue Funds of the
Laboratory.

I request early sanction of the Government may
kindly be obtained approving of the action taken by
me.

I have the honour to be,
Sir,
Your most obedient servant,

Kul Anapau
Government Director,
Industrial Concerns.
